2. Profile of the Town Of Claremont

The Town of Claremont (The Town) is a body corporate, constituted under Section 2.5 of the *Local Government Act 1995*. Its general function is to provide for the 'good government of persons in its district'.

2.1 Historical Information

In 1830, John Butler, recently arrived from Liverpool, speculated on the commercial qualities of the riverside area at Freshwater Bay, halfway between Perth and Fremantle. Here he set up his inn, attracting travellers on the road connecting the two anchor communities of the Swan River Colony. Growth of the Freshwater Bay settlement took off in 1850 when the Government allocated land on the foreshore and at Lake Claremont to nineteen 'Pensioner Guards' and their families.

Claremont Road Board was formed in 1893 from the western suburbs of the Perth Road Board. The Municipality of Claremont was set up in 1898. The Road Board was absorbed into the Municipality in 1932 and the Municipality became the Town of Claremont in 1961.

6. Structure

6.1 Council

The Town of Claremont Council is made up of 10 Elected Members, being one Mayor and nine Councillors. Each member is generally elected for a four year term. Each ward is represented by three Councillors (East, West and South). Elections for all local government authorities have been held biennially on the first Saturday in May.

State legislation provides for a Council to decide whether its Mayor is elected by the vote of the ratepayers and residents or by the Councillors themselves, who would elect one of them as the Mayor. The Town of Claremont has chosen to have its Mayor elected by its residents and ratepayers. This method is commonly known as 'popular vote'.

The role of the **Mayor** (or Deputy Mayor if the Mayor is unavailable) is to:

- preside at Council meetings;
- provide leadership and guidance to the community;
- carry out civic and ceremonial duties on behalf of the Town;
- speak on behalf of the Town;
- perform such functions as specified in the Act or other written laws; and
- liaise with the CEO on the Town's affairs and the performance of its functions.

The role of **Council** is to:

- Direct and control the Local Government's affairs;
- Be responsible for the performance of the Local Government's functions;
- Oversee the allocation of the Local Government's finances and resources; and
- Determine the Local Government's policies

Council establishes policies and guidelines for the management of the district and makes all decisions in this regard, unless authority has been delegated to a committee or officers of Council. Councillors are required under the *Local Government Act 1995* to work for the district as a whole and not in isolation only for their individual wards.

Decisions of Council are made at Council Meetings. Ordinary Meetings are held on the first and third Tuesday of each month.

6.2 Council Committees

There are also several **Committees** to assist Council in its role, the primary one of which is the Strategic Planning and Policy Committee, which meets on a quarterly basis. These Committees are comprised of Council staff, Councillors and members of the public – they are:

7. Public Participation

7.1 Dealing with Requests from Ratepayers

As the Council's role is to deal with strategic policy and not operational, day-to-day issues, wherever possible any matter raised by ratepayers is dealt with by administrative staff and not referred to Council. Examples are:

- Rates queries and objections;
- Objections to parking infringements;
- Requests for tree removals;
- Applications for advertising signs.

7.1.1 Delegations Register

The Local Government Act 1995 stipulates which matters must be dealt with by Council. However, Council is able to delegate its decision-making role to the CEO for most decisions.

The areas that cannot be delegated are:

- Any decision that requires an absolute majority decision of Council. Examples are the:
 - Making or altering a local law;
 - Establishing Committees and the appointment of Committee members;
 - Adopting the annual budget.
- Accepting a tender over \$100,000;
- Appointing the auditor;
- Purchasing or selling any property over \$100,000;
- Setting Councillors' fees;
- Borrowing money;
- Hearing an objection from a person in regard to Council decisions (for example: in respect of a notice issued by Council for the removal of rubbish from private property);
- Any decision that requires approval of the Minister or Governor.

Details of decisions delegated to the CEO may be found in the Delegations Register which can be accessed via the Town's web site www.claremont.wa.gov.au or by visiting the administration offices – see [Town of Claremont Contact Details](#) on page 3 of this document.

7.1.2 Council Meetings

Examples of subjects generated by ratepayers that are typically dealt with at Council meetings include:

- Applications for building developments that do not comply with the Town Planning Scheme, policies and/or where no objections have been received from adjoining owners;
- Applications for subdivisions of land;
- Applications to demolish buildings;
- Applications for traffic calming devices.

Every matter that is to be considered by Council must appear on an agenda and must have a report prepared by a staff member. The time frame for a matter to find its way onto a Council meeting agenda depends on the complexity and nature of the issue.

For example when a building development application is received, staff send letters to adjoining neighbours and, of course, this takes time. Therefore a development application may not appear on a Council agenda for several weeks or more.

Council meetings are held on the first and third Tuesdays of each month (except January) and staff write to interested parties following each meeting. Members of the public are welcome to attend all meetings of the Council and can ask questions about any item on the agenda.

7.1.3. Asking Questions: Standing Orders

Standing Orders provides an opportunity for the public to ask questions or make submissions at Ordinary Council Meetings. A total of 15 minutes is set aside for questions and community submissions, which may be extended by resolution of Council.

With the consent of the Mayor, the public may speak on any matter on the meeting agenda. To ensure an equal and fair opportunity is provided to address Council, a period of three minutes per speaker will be allocated; however, this may be extended by a resolution of Council.

The Standing Orders Local Law may be obtained from the Town's web site www.claremont.wa.gov.au or by visiting the administration offices – see [Town of Claremont Contact Details](#) on page 3 of this document.

7.1.3.1 Questions

Questions are to be put to the Mayor and should be in writing and placed on the table near the microphone once presented. Questions sheets are available to assist the public and may be

obtained from the Town's web site www.claremont.wa.gov.au or by visiting the administration offices – see [Town of Claremont Contact Details](#) on page 3 of this document.

7.1.3.2 Responding to Questions

Once a question is asked the Mayor may:

- Respond to the question asked;
- Refer the question to an officer for response;
- Take the question on notice, in which case a written response will be forwarded to the ratepayer and included in the agenda papers in the next Council Meeting.

7.1.3.3 Community Submissions to Council

Submissions are to be put to the Mayor and notice to speak must be provided in writing to the Chief Executive Officer by noon on the day of the meeting. The submission must be put prior to a decision being made on the matter by Council. Submission sheets are available to assist the public and may be obtained from the Town's web site www.claremont.wa.gov.au or by visiting the administration offices – see [Town of Claremont Contact Details](#) on page 3 of this document.

7.1.3.4 Petitions

The Town's Standing Orders provides an opportunity for the public to submit petitions at Ordinary Council Meetings. Petitions shall be respectful and temperate in language and shall be presented to the CEO or Council by a Member.

A petition must:

- (a) Contain the name, address and signature of each petitioner; and
- (b) Have the name of the person who lodged the petition with the Council shown at the top of each page thereof.

Submission sheets are available to assist the public and may be obtained from the Town's web site www.claremont.wa.gov.au or by visiting the administration offices – see [Town of Claremont Contact Details](#) on page 3 of this document.

7.1.3.5 Agendas and Minutes

The Town's internet site contains Council Minutes from 1997. The Claremont Museum holds microfilm Council Minutes 1903 – October 1980.

Hard copy versions are available for viewing in the Town of Claremont Library or by visiting the administration offices – see [Town of Claremont Contact Details](#) on page 3 of this document or by visiting the administration offices.

7.1.3.6 General Meeting Of Electors – Annual Report

The Local Government Act 1995 requires Council to hold a General Meeting of Electors once a year. The purpose of this meeting is to discuss the Annual Report for the previous financial year, and then any other general business.

Annual Reports (including the Annual Financial Statements) are available for viewing on the Town's web site www.claremont.wa.gov.au or by visiting the Town of Claremont Library or administration offices – see [Town of Claremont Contact Details](#) on page 3 of this document.
