## SUANN, Annette

I am a local entrepreneur, wife, mother, dog-lover and community-minded professional.

I am most motivated when empowering individuals and businesses to succeed, having worked in in the Education, Mining, Consulting, Arts and Community industries, both locally and internationally. I have a Commerce Degree and have more than 20 years of experience in project management, client relationship, community engagement, marketing, and strategy.

My focus for Claremont Council is to listen to the issues faced by our citizens to inform the direction of Council priorities and decision making.

I bring my experience in community activations and the positive engagement of families and youth.

I see the prudent budgeting and allocation of ratepayers fees to benefit the Claremont community as key. The areas of maintenance of footpaths and working with local business to relieve traffic congestion are examples.

I would be honoured to be your representative for South Ward.
