## TELFORD, Peter

We are fortunate to call the Town of Claremont our home. I am a resident of the East Ward, married with 2 children attending St. Thomas' Primary School. I am a candidate with a broad range of skills - an ABC presenter, and then self-employed for last 20 years in TV documentaries, book publishing and currently the owner of a local hospitality supplies business. I believe that our council needs to represent a cross section of the community and with your support I will be the next generation of councillor.

I will advocate for: our known community planning concerns in particular Metronet and the show grounds, the efficient and appropriate use of ratepayer funds, our natural environment and the continued improvement of Lake Claremont, a vibrant town centre.

I look forward to meeting you.

Peter Telford qualifications: B.Economics, Assoc. Degree Broadcasting, Sustainability Leadership Program Cambridge University, Officer Army Reserves.
