Encl. *Notice of Motion – Item 15.2 Parking Infringement Policy*

15.2 PARKING INFRINGEMENT POLICY**Elected Member:** Cr Haynes**Proposed Date:** 17 April 2018

MOTION**That Council**

- 1. With immediate effect, cease the policy of issuing warnings to persons with their first parking infringement for the year and revert to the approved policy of infringing those contravening the parking regulations as deemed appropriate by Council.**
- 2. Give consideration in the 2018/19 Budget process to allocating \$400,000 to the Building Reserve to be used in conjunction with the \$250,000 recently approved to go in that Reserve to partially fund renewal of the MacKenzie Pavillion at Cresswell Oval.**

Reason: The first offender warning policy is costing Council (and thereby its ratepayers) over \$400,000 p.a. and this money could be put to a better use with Council's renewal of its public assets.
