Message from the Mayor

This month marked the 100th anniversary of the Armistice which ended the First World War. Our Remembrance Day service was a

fitting tribute to all of those who have served and sacrificed for Australia. It is always a very special day and even more so this year; thank you to all of our community who attended.

This week we have celebrated Seniors Week, which I had the privilege of attending several of the events on offer to our community. I would like to thank our local businesses and clubs who helped celebrate the week either by hosting us or presenting at an event.

I'm now looking forward to starting the festive season with events happening throughout our community. The festivities will start in the Town Centre with our

first 'Terrace Night' event for the season – 'Buon Natale' an Italian themed Street Celebration & Night Market on Thursday 6 December. On Sunday 9 December, our annual Christmas Carols in Claremont will be back in Claremont Park with the wonderful Perth Symphony Orchestra performing for us. I hope to see you there.
