## 'Standard Verge' Template

<b>Not to Scale</b>	<b>Your Private Garden</b>	
	<b>Verge</b>	In this zone the maximum allowable plant height is 50cm.
		Maximum plant height is 20 cm in this 50cm wide zone.
		Only plant low growing ground covers within 1 metre of the kerb.
	<b>Kerb</b>	
	<b>Road</b>	

### Using the Template

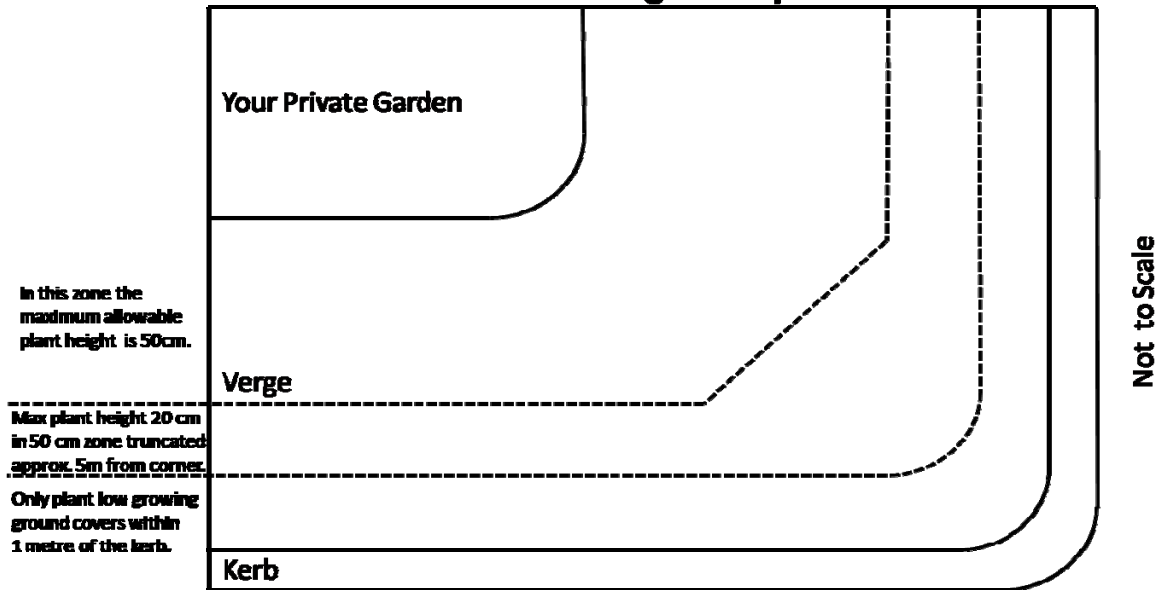

1. Draw in the approximate location(s) of your cross-over/driveway/hard stand parking.
2. Draw in the footpath (if there is one) and an adjacent 50 cm zone where only low ground covers can be planted.
3. Mark the location of any Street Tree trunk(s) and draw in your garden design.

**Note:** For the 2010 Round of WESROC's Native Plant Subsidy Scheme residents of the:

- Shire of Peppermint Grove and Town of Mosman Park can only use plants in their private garden and not on the verge.
- City of Subiaco need to submit this plan before visiting the APACE Nursery.
