District	Town of Claremont
Candidate Name	Catherine Jane MAIN
Ballot Paper Name	MAIN, Kate
Nominating for	Councillor for East Ward
Election Type	Ordinary

MAIN, Kate

I have been an energetic member of Claremont Council for four years. Since then we have achieved underground power throughout the town, fast tracked paths and bike infrastructure and made significant improvements to Lake Claremont for families, golfers, dog owners and nature lovers. There has been well planned infill for the future with consultation from the community at the same time as an increased tree canopy.

I am keen to continue promoting these projects plus town centre activation, vibrant food, retail and sporting facilities, such as a pool splash pad and sports pavilion.

Traffic management is an important focus and the Perth2Port Bike & Walk Group of 30 Western Suburbs Councillors I helped create will continue to be a strong voice encouraging safe active streets and paths for students and families.

I will be an experienced voice for future issues concerning development of the RAS Showgrounds and Metronet train infrastructure.
