To the Resident  
Important information inside  
Infrastructure Upgrades – Maclagan Park

14 April 2025

Dear Resident,

**Infrastructure Upgrades - Maclagan Park**

The Town would like to advise that there will be a new playground, fence and shade sails being installed at Maclagan Park, from Monday 28 April 2025, weather and contractor permitting. The infrastructure will be installed within the existing sandpit. A playground design image has been included in this letter as a reference.

Below is the proposed sequence of events:

- Remove existing fence
- Remove existing playground equipment
- Fence off work area with temporary fencing
- Playground contractors dig in footings
- Playground contractors install new equipment
- Temporary fencing is removed
- New fence is installed
- Shade sails are installed
- Playground reopens - estimated week of 26 May

Works are expected to occur during working hours, between 7am and 5pm on weekdays. While it is inevitable that works of this nature will cause some inconvenience, every effort will be made to ensure that this is kept to a minimum.

If you have any questions regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely

Cloe Dolan  
Manager Parks and Environment
