A WORD FROM THE MAYOR

Welcome to *A Night on Bay View*, featuring the West Australian Symphony Orchestra.

I am excited to be kicking off 2023 with this wonderful free community event featuring the West Australian Symphony Orchestra in our beautiful Claremont Park.

West Australian Symphony Orchestra has provided live music across our state since 1928, and this partnership with the Town helps to extend access to the arts for so many people. Tonight, we will experience and enjoy the sounds of the full orchestra joined by internationally renowned tenor Paul O'Neill. Together they will perform scores from some well-known movies alongside some loved classics.

This concert is just the beginning of an exciting program of events that the Town has creatively designed to bring joy and foster connection in our community.

On behalf of my fellow elected members, I do hope you enjoy the 2023 *A Night on Bay View*.

Best wishes
