Ballot paper name	BROWN, Ryan
Candidate name	RYAN JOHN BROWN
District	Town of Claremont
Nominating for	Councillor for Town of Claremont
Election type	Ordinary
Enrolment status	BROWN, Ryan is eligible to stand for election as a resident of the Town of Claremont.

It has been a privilege to serve Claremont Council, and as the youngest member of the number-one rated local government I seek your vote for re-election in 2023.

As a father of 3 young children and local resident for 20 years, I am familiar with the local issues of traffic congestion, unsafe pedestrian networks, building development issues & significant vegetation removal. I will continue to push for better youth facilities and services, increased canopy coverage and greater public and urban realm experiences.

As a current local member of the Joint Development Assessment Panel (JDAP) and the only registered Architect on Council, I will continue to work with the community and Council to uphold sustainable, well planned and quality design.

With integrity, stability and honesty, my aim is to continue to enhance the quality of Claremont's built & natural environment, while promoting a liveable, accessible, sustainable town that is a welcoming place for current & future generations.
